Most of the content in MyCourses can be printed or downloaded to your computer in just a few easy steps.

Printing Content

To print content,

1. Navigate to the content you want to **Print**.

2. Scroll to the bottom of the page to find the **Print** button.
3. Click **Print**

Your Print Dialog Box will open.

Select the printing options, then click **Print**.

*Note: Some items may not have the print button. In this case, right click on the content and choose Print from the dropdown menu.*
